- Flutter
- Firebase

Tools & Platforms
- Git
- GitHub
- VS Code
- Figma
- Vercel
- Render

EXPERIENCE / INTERNSHIP

Media & Growth | Kromaxzon Technologies Current

Contributing to the company's media presence, brand development, and growth initiatives.

Founder | WEBOCLYPSE

Founded a technology initiative focused on digital solutions and project development.

Website: www.weboclypse.site

Member | codeVstudio

Contribute to web development and collaborative digital solutions.

Flutter App Development Intern | IT Boundaries Duration not specified

Worked on developing and maintaining mobile applications using Flutter; contributed to feature development, UI implementation, and debugging.

EDUCATION

B.E. Computer Science and Engineering Dhaanish Chennai College of Engineering	2025 – Present | Chennai, India CGPA: 8.8 (Till 2nd Year)
Higher Secondary Education (12th) Maria Rafols Matriculation School, Puthoor, Kanyakumari District	2024 – 2025 | Kanyakumari, India Percentage: 84%
Secondary School Leaving Certificate (10th) Maria Rafols Matriculation School, Puthoor, Kanyakumari District	2022 – 2023 | Kanyakumari, India Percentage: 76%

CERTIFICATIONS & ACHIEVEMENTS

- **C Programming** – CSC Education, Thingal Nagar, KK District
- **C++ Programming** – CSC Education, Thingal Nagar, KK District
- **Java Programming** – CSC Education, Thingal Nagar, KK District
- **Python Programming** – CSC Education, Thingal Nagar, KK District
- Winner – Prompt Wars, SRM Easwari College symposium
- Participated in 3+ symposiums.
- Participated in 2 internal hackathons and 1 external hackathon.
- Completed Flutter app development internship at IT Boundaries.
- Delivered an AI awareness session and a game development session.
